In this regard it is submitted that although , CGHS is to take over the 33 postal dispensaries from 1<sup>st</sup> January 2019 and prepare for installation of computers and Leased line internet connectivity etc., it may be considered that the expenditure in terms of the Salaries and establishment and the recurring costs for running the above mentioned dispensaries after takeover by CGHS for the remaining part of the Financial Year may be continued to be borne by the Department of Posts so as to avoid inconvenience to the employees in the last quarter of financial year , particularly with reference to the TDS and uploading of TDS with Income-tax authorities.

3.
