Subject : Nidhi Aapke Nikat 2.0 - Expansion and Strengthening of current program of Nidhi Aapke Nikat

Madam/Sir,

The Employees' Provident Fund Organisation (EPFO) caters to the social security needs of its members. In the past various outreach programs like Nidhi Aapke Nikat, Webinars, Pension Adalat, etc were initiated for ease of living of members. However, these programs were restricted to the districts where our offices were situated.

2. Now, with the intent to expand the horizon in all the districts of the country, it has been decided to launch **Nidhi Aapke Nikat 2.0** as District Outreach Program. The strategy of this program is to reach out to every district in the country on the same day every month.

3. Detailed Standard Operating Procedure (SOP), in this regard, is enclosed herewith. All the Offices are expected to implement it in letter and spirit to make its impact far reaching and meaningful.

(Issues with the approval of Competent Authority)

Yours faithfully,

Alok Yadav

Regional P.F. Commissioner - I (C&PR)

Nidhi Aapke Nikat 2.0–Expansion and Strengthening of current program of Nidhi Aapke Nikat

1. Purpose

- 1.1 This program shall be called Nidhi Aapke Nikat 2.0.
- 1.2 The objective of the programme is to increase the footprint and EPFO's presence in all the districts of the country through an inclusive & cohesive outreach program.
- 1.3 This SOP subsumes all the relevant points of the circulars on the subjects of Nidhi Aapke Nikat, Pension Adaalat and outreach at Aspirational/Border Districts which are enlisted below:
 - a) Circular No. VI(31)2015/7781 dated 08.06.2015
 - b) Circular No. VI(31)2015/6288 dated 09.07.2015
 - c) Circular No. VI(31)2015/8477 dated 05.08.2015
 - d) Circular No. Publicity I(05)2016/Nidhi Aapke Nikat dated 17.08.2018
 - e) Circular No. Publicity I(05)2016/NidhiAapkeNikat/290 dated 05.04.2019
 - f) Circular No. Pension-1 /1(5) /2021 / Pension Adaalat / 3205 dated 02.03.2021
 - g) Circular No. Coord/PM instructions/2022 dated 17.06.2022

2. Introduction & context

- 2.1 Over the years, EPFO has taken several measures and reforms for the benefit of its subscribers. In the year 2015, vide circular No. VI(31)2015/7781 dated 08-June-2015, Bhavishya Nidhi Adalat was rechristened as Nidhi Aapke Nikat and vide Circular No. VI(31)2015/6288 dated 09.07.2015, the facility of reporting of Nidhi Aapke Nikat was provided in MIS Dashboard. Further, vide Circular No. VI(31)2015/8477 dated 05.08.2015, format for reporting by field offices was prescribed. Later vide circular Publicity I (05)2016/Nidhi Aapke Nikat dated 17.08.2018, the Nidhi Aapke Nikat was further strengthened and streamlined.
- 2.2 In the year 2019, vide circular No. Publicity I(05)2016/Nidhi Aapke Nikat, the outreach of the Nidhi Aapke Nikat Program was further improved by inviting participation of trade unions and directing field offices that

- sufficient publicity should be done before conducting the programme to ensure maximum participation of stakeholders.
- 2.3 In the year 2021, it was felt that pensioners needed an exclusive platform for their grievance redressal and hence the programme on monthly Pension Adalat was initiated vide Circular No. Pension-1/1(5)/2021/ Pension Adalat/3205 dated 02.03.2021.
 - 2.4 Vide DO letter No.1/28/1/2022 – Cab. dated 04.04.2022 Cabinet Secretary addressed all Secretaries, wherein the key points of the discussions held by Hon'ble PM with secretaries were communicated. Accordingly, a letter bearing No. Coord / PM instructions / 2022 dated 17-June-2022 was issued for conducting outreach program especially for aspirational districts.
 - 2.5 After consultations with various stakeholders on issues pertaining to awareness on Social Security benefits through EPFO as well as delivery of services it is observed that the point of absence in more than 500 districts of the country is a big impediment in improving social security coverage and providing seamless services to its members. Moreover, EPF officers are not moving out of office on 10th (the day fixed for Nidhi Aapke Nikat) because they are too busy in settlement of claims & submission of returns.
 - 2.6 The programs referred in Para 2.1 & 2.2 do provide some latitude for enhancing the reach of EPFO. However, more targeted approach would be required if high public satisfaction as well as actual benefits delivery is to be achieved. For this, one of the key strategies shall be to increase the foot print of EPFO through extensive outreach in all the districts. Since offices are not present in all the districts, same will be achieved through an outreach program.
 - 2.7 In this backdrop, it has been decided to further strengthen and increase outreach of Nidhi Aapke Nikat as a District Awareness Camp and outreach program.
 - 2.8 While Nidhi Aapke Nikat is a programme where EPFO stakeholders visit the field offices, the approach now will be to reach out to the stakeholders, thereby increasing accessibility and visibility of the organisation, in all the districts of the country, with regular periodicity.

3. Scope:

- 3.1 The scope of this program would be to reach out to all the districts in the country on the same day every month.
- 3.2 It also aims at inclusive, cohesive and coherent outreach program with a district as a unit of focus.
- 3.3 It will be a broad based participatory awareness and outreach program for the employers and the employees acting as a grievance redressal platform for members and information exchange network.
- 3.4 The Nidhi Aapke Nikat 2.0 should be conducted on 27th of every month starting from January 2023. However, if 27th is a holiday, it shall be conducted on the next working day.
